### Weekend Round Robin October -November 2014

If you're ready for some friendly competition- you can join the weekend Round Robin. In a Round Robin competition each player meets every other player for a best of 3 matches.

**When do we play?** One hour court time is allocated per match. Matches can be played Fridays after 6pm, Saturdays or Sundays and are scheduled at a mutually agreed time . All matches are scheduled in advance according to your preferences and can be rescheduled to suit both players by contacting your opponent and reception. Your name phone and email details will be provided to other players in your Round Robin division to facilitate confirmations of matches and rescheduling when required.

**Grading** All players are graded to ensure a healthy competition. Only viable divisions will proceed. If we are unable to place you in a suitable division then your entry fee is refunded.

**Match schedule:** Every player will be scheduled to play at least 5 matches, one a week followed by a final between 1<sup>st</sup> and 2<sup>nd</sup> place. We allow 7 weeks to complete your 5 matches. **Entries close Wednesday October 17** and Round 1 commences Friday October 24th. Finals will be played Sunday December 14<sup>th</sup> at 4pm.
